# FULTON COUNTY EMPLOYEES' ASSOCIATION

## What is the Fulton County Employees' Association?

The Fulton County Employees' Association (FCEA) is a State chartered non-profit organization formed in 1969. The purpose of FCEA is to engage in various activities that will benefit and uplift the morale of the employees of Fulton County and for any other lawful purpose not specifically prohibited to non-profit organizations under the applicable laws of the State of Georgia and/or the Constitution of the United States. FCEA represents all Fulton County employees.

FCEA communicates with elected and appointed officials of Fulton County and its sub-agent and/or agencies to discuss members' concerns.
